COBRA SERIES

COBRA 10.0 220C

The Cobra 10.0 220C is a powerful, portable, and lightweight non-heated extractor designed for high-performance cleaning. A long time favorite of professional cleaners, this unit is compact and easy to maneuver, making it ideal for navigating tight spaces and difficult to reach areas. It combines professional power and fast drying times into a convenient, complete single-cord system. This extractor features a 220 PSI on-demand pump, dual 5.7 3-stage motors, and delivers 180” of lift for maximum recovery and drying times. Buy the Cobra 10.0 on its own or in a package with the Trident Wand 13” and 15’ Hose Set.
