## PEGASUS PRO 500H DV/DC

The Pegasus PRO 500H DV/DC is a high performance, multifaceted heated extractor. Built to be lightweight and easy to use, its versatile design allows crews to transition seamlessly between carpet and upholstery. Featuring adjustable 50–500 PSI paired with a 1750W in-line heater for instant, deep-cleaning power Equipped with dual 3-stage top-mounted vacuum motors in parallel, the Pegasus PRO 500H delivers 200 CFM and 100” of lift, ensuring exceptional water recovery and fast drying times. Available with either a 1.5” or 2.0” inlet, this extractor can be purchased as a stand alone unit or as a complete package with a 13” Sharp Shooter Wand and a 25’ hose set.
