COBRA SERIES

COBRA 10.0 220H

The Cobra 10.0H is a powerful, portable, and lightweight extractor that delivers 1750W of heat ensuring optimal soil breakdown for deep cleaning carpets and upholstery. This unit is designed to maneuver easily and navigate tight spaces with a complete, compact frame built for effortless transport. The Cobra 10.0H delivers the performance of a larger system, featuring a 220 PSI on-demand pump, dual 3-stage motors, and 180” of lift for maximum recovery and fast drying times. Buy this extractor on its own or in a package with the Trident Wand 13” and 15’ Hose Set.
