

Toro CAS

The agile and extremely robust Cleanfix Toro CAS compact cleaning machine is suitable for maintenance and intermediate cleaning. It is your reliable partner on smooth floor surfaces as well as on challenging surfaces such as kitchen tiles with water displacement joints. Thanks to the optional additional weight, it can also handle intensive cleaning. Be inspired by the immaculate cleanliness - at the touch of a button!

Clean. Cleaner. Cleanfix.

Toro CAS

Ready for use even in wet work areas.

The two state-of-the-art motors of the Cleanfix Toro CAS are very efficient and powerful.

Thanks to clearly arranged operating elements, users can easily control and adjust all functions.

It offers flexible cleaning without a power cord and uses the Metabo CAS battery system, which is compatible with products from various manufacturers.
