TASKI® The ULTIMATE Cleaning Machines

AERO 3500µicro

Uplifting productivity

TASKI AERO 3500µicro facilitates both vacuuming and sweeping for hard and soft floors. It delivers unmatched productivity and excellent cleaning results.

- Unmatched productivity with great cleaning results
- TASKI whisper technology and improved air quality
- Versatile machine for different floor types

Unmatched productivity with great cleaning results

Two counter rotating cylinder brushes work in combination with an efficient brushless vacuum turbine to collect fine dust and bigger debris at the same time. Bigger debris is collected in the hopper and fine dust goes to the dust bag. The digital motor is highly efficient and thus increases the autonomy of the machine. Furthermore, there is no wear and tear on the motor, drastically improving its expected lifespan.

The brushes can be easily adjusted with the press of a button to ensure the best cleaning results on soft and hard floors.

TASKI whisper technology and improved air quality

High quality filtration in combination with the unique airflow design based on the TASKI whisper patent guarantees best air quality and low noise emissions. Optional HEPA H13 filter available for best air quality.

Versatile machine for different floor types

The machine has an active seating concept allowing fast hop on&off. It comes with hand tool accessories that allows manual cleaning in small areas in a 3-6 m radius around the machine. The seat and steering wheel are height-adjustable and enable an ergonomic use of the machine.

AERO 3500µicro

TASKI AERO 3500µicro	Technical data
Productivity rate (theoretical)	38,481 ft^2/hr
Productivity with single battery	130,243.32 ft^2/hr
Cylindrical brush working width	19 in
Side brush working width	25.5 in
Cleaning speed	< 3.4 m
Side broom offset	4 in
Turning radius	6 ft
Outer dimensions	54 x 23 x 50 in
Dust bag capacity	4 gal
Debris hopper capacity	0.8 gal
Operating time	<4 h
Brush system	double cylindrical brush
HEPA filtration	optional H13
Sound pressure level (db(A))	68
Hand tool for manual vacuuming	6.5 ft hose
Tool holder	available as option

Models	SKU
TASKI® AERO 3500µicro Kit	D1230041
TASKI® AERO 3500µicro (Machine Only)	D7524871

Accessories	SKU
Side Broom, 1 each	D7524878
Toolbox Holder Base, 1 each	D7524875
MopBox Support. 1 each	D7524874
HEPA Filter H13, 1 each	D7524873
Fleece Bag, 10 ct.	D7524872
Exhaust Filter, 5 ct.	D7524879
Rollerbrush 1 each	D7524877

Batteries and Charger	SKU
Trojan 6V-Gel Battery	D1433991
ELITE PRO High Frequency Battery Charger	D1225567
