PEGASUS SERIES

PEGASUS PRO 500C SV/SC

The Pegasus PRO 500C SV/SC is a powerful non-heated, multifaceted extractor with a single cord design. Engineered to be easy to use, this unit allows for efficient operation, letting crews switch quickly between carpet and upholstery without the need for multiple circuits. The adjustable 50–500 PSI pump paired with a high-performance single top mounted 3 stage motor in parallel provides 137” of lift and 107 CFM, resulting in excellent water recovery and rapid dry times. Available with a 1.5” or 2.0” inlet. Purchase this machine on its own or as a complete package with a 13” Sharp Shooter Wand and a 25’ hose set.
