Where **robust** meets **reliable**

Swiftvac 6

Backpack Vacuum

The Swiftvac 6 backpack vacuum delivers powerful, efficient cleaning with a lightweight design that makes it easy to navigate through tight spaces and around obstacles. Perfect for high-traffic areas, it transforms routine cleaning into a quicker, more productive task.

Exceptional performance

The Swiftvac 6 is engineered to clean up to twice the area per hour compared to standard 12-inch upright vacuums. A top-fill debris bag ensures steady airflow as it fills, while its advanced HEPA filtration system captures even the finest dust particles—promoting cleaner air and a healthier environment for everyone.

Ergonomic comfort for long use

With an ergonomic design that prioritizes comfort, the Swiftvac 6 features a fully adjustable, padded harness that reduces strain on the hips and shoulders. Its 9.6-pound lightweight frame, crafted from durable polymer, minimizes fatigue, while an adjustable intake cap accommodates both right- and left-handed operators.

Reduce downtime with clog-free technology

Equipped with a unique hose design that gradually widens from the cuff to the intake, the Swiftvac 6 reduces clogs from irregular debris, meaning less downtime and a smoother cleaning experience.

Complete cleaning toolkit included

The Swiftvac 6 attachments include an S-bend aluminum wand, scalloped floor tool, nylon floor brush, round brush, upholstery tool and crevice tool.

Optional aviation motor for in-flight cleaning

The Swiftvac 6 Aviation Vacuum is equipped with a specialized 120V / 400 Hz motor and a 50-foot cord, ideal for use on commercial aircraft. This allows for quick navigation up and down aisles and efficient vacuuming of hard-to-reach areas.

Swiftvac 6

Backpack Vacuum

Technical Data	Swiftvac 6
Working width	14.5 in. / 37 cm
Input voltage	120V / 60 Hz | 120V / 400 Hz (Swiftvac Aviation)
Vacuum motor HP / Nomimal consumption	1.78 HP / 1,328 W
Max air flow	152 CFM / 71 L/s
Vacuum motor water lift	Water lift: 115 in. / 292 cm
Dust bag capacity	6.0 qt. / 6.1 L
HEPA filtration	Yes
Filtration efficiency	99.97% @ 0.3 microns Stage 1: 99.97% efficient 3-ply micro lined filter bag Stage 2: Cloth filter bag Stage 3: HEPA motor filter Stage 4: Noise reducing air diffuser
Hose length	4 ft. 8 in. with swivel cuff
Power cord length	50 ft. / 15.2 m 16-3 SJT
Sound level dB(A)	67
Dimensions	22 x 8 x 8 in. / 56 x 20 x 20 cm
Machine weight	9.6 lbs. / 4.35 kg
Shipping weight	18.4 lbs. / 8.4 kg
Toolkit components	S-bend aluminum wand - 54 in. / 28 cm Scalloped floor tool - 14.5 in. / 37 cm Nylon floor tool - 14 in. / 35.56 cm Round brush tool - 3 in. / 7.6 cm Upholstery tool - 6 in. / 15 cm Crevice tool - 14 in. / 35.5 cm

Product Description	Product Code
Swiftvac 6 Backpack Vacuum, 120V/60 Hz; includes complete toolkit (S-bend aluminum wand, scalloped floor tool, nylon floor tool, round brush, upholstery brush, crevice tool), cloth filter bag and one paper filter bag.	6706730
Swiftvac 6 Aviation Backpack Vacuum, 120V/400Hz; includes complete toolkit (S-bend aluminum wand, scalloped floor tool, nylon floor tool, round brush, upholstery brush, crevice tool), cloth filter bag, and one paper filter bag.	6706732

Accessories/Common Parts	Product Code
Swiftvac 6 paper filter bags (one 10-pack)	6795101
Swiftvac 6 cloth filter bag with gasket (1 each)	6795091
Swiftvac 6 HEPA dome filter (1 each)	6795261
Upholstery tool - 6 in. / 15 cm (1 each)	6795291
Scalloped floor tool - 14.5 in. / 37 cm (1 each)	6795301
Crevice tool - 14 in. / 35.5 cm (1 each)	6795311
S-bend aluminum wand - 54 in. / 137 cm (1 each)	6795321
Round brush - 3 in. / 7.6 cm (1 each)	6795331
